Dear Parents and Carers

Re: End of term arrangements and reminders

We are almost at the end of a busy term and thought it would be helpful to reconfirm some key dates and let you know about safe alternatives to sharing Christmas cards and gifts this year in nursery.

In light of Covid-19 we are discouraging parents and children from bringing in any cards and gifts to share with staff or other children this year at Christmas. This is because we want to keep the items brought into nursery to a minimum and prevent unnecessary risk of transmission of the virus through such items.

We do however appreciate that often parents and children like to bring gifts in at the end of term for their key person or other staff. So, as an alternative, we will have an Oxfam donation box by the school office that you can contribute money to, instead of buying a card or gift. We will collect the money and purchase an Oxfam charity gift with the proceedings. This way, people can give a gift in a safe way that is valued and appreciated while also helping out other people in need.

Remember our last day for the children this term is Wednesday 16th December and the first day back in nursery is Wednesday 6th January.

May I take this opportunity to wish you all a very happy and restful holiday on behalf of everyone at the nursery.

Kind regards,

Mrs Z Keating
Interim Headteacher
