

Dear parents,

As mentioned in our Welcome email, we are now using the Learning Journal online assessment system.

You will shortly receive an email from [noreply@yourlearningjournals.co.uk](mailto:noreply@yourlearningjournals.co.uk) stating your username and a link asking you to verify your account.

**Please take note of your username (exactly how it is written)**

Click on the link to verify your account. Once the account is verified you will be asked to set up a password to access your child's journal. The password must have the following

- An upper case letter
- A lower case letter
- A number
- A symbol - for e.g. \$, &, @

**You will then be asked to setup a 4 digit pin.**

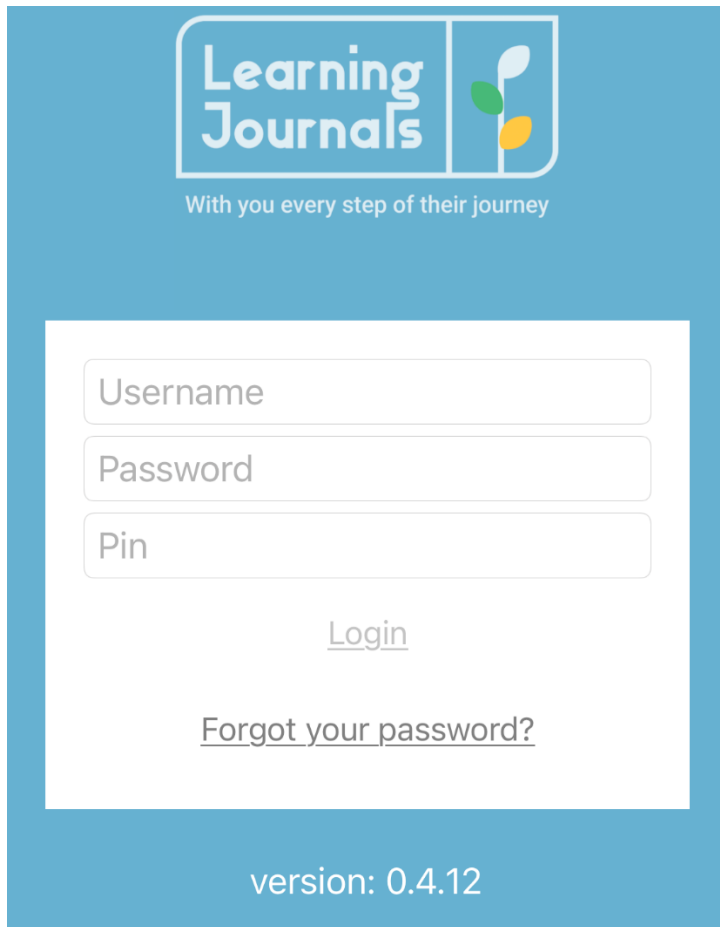

**You will need to do this online before you download the app.**

You can download the app to an iphone or an android phone. Please go to the App/Play store and search for:

**Learning Journals for Parents**

**Enter your username** (remember this is one word all lower case for e.g mrsingh or mrsmahmood ), **password and pin**

The image shows a login screen for 'Learning Journals'. At the top, there is a logo with the text 'Learning Journals' and a stylized plant icon. Below the logo is the tagline 'With you every step of their journey'. The main content area is a white box containing three input fields: 'Username', 'Password', and 'Pin'. Below these fields are two links: 'Login' and 'Forgot your password?'. At the bottom of the white box, the text 'version: 0.4.12' is displayed.

Learning Journals

With you every step of their journey
